

Jeremiah Daws

Film & Creative-Technology Educator · Program Director

Buford, GA · (310) 845-5702 · jedaws@gmail.com · jeremiahdaws.vercel.app

SUMMARY

Producer / Director at FORM, an Atlanta story company, and a Christian classical-school teacher and program builder with a working professional background in film and television. Built two programs from zero at Artios Academies — Film and Creative Technology — serving 50+ high-school students across 12+ courses. Brought real industry credentials (Disney, National Geographic, Hallmark) into the classroom while shaping curriculum that integrates faith, craft, and rigor.

EXPERIENCE

Producer / Director

FORM (Form Films) · *formgreatstories.com* — Atlanta, GA

2026–present

- Direct *Calendar Jockeys* (*calendarjockeys.com*), a short comedy series from Form Films, and rebuilt FORM's website.

Department Head · Film & Creative Technology

Artios Academies of Sugar Hill — Suwanee, GA

2022–2026

- Built the Film department and the Creative Technology department from zero — wrote all curriculum, sourced equipment, and grew enrollment year over year.
- Designed and taught 12+ courses: film history, film production, directing, editing I & II, screenwriting I & II, documentary, 3D design I & II, intro to creative technology, embedded computing, engineering, fabrication, and game design.
- Led student film productions from script through final cut. Produced behind-the-scenes documentaries on school productions of *Beauty and the Beast* and *Little Women*.
- Integrated Biblical foundations (*Imago Dei*, doctrine of creation, doctrine of common grace) with technical instruction in a way that's both faithful and rigorous.
- Mentored students applying to film schools and creative-tech programs; led the school's Production Club and senior capstones.

Marketing Video Producer / Editor

Disney Parks (Yellow Shoes) & Disney Consumer Products

2015–2021

- Produced and edited marketing video for Disney, Marvel, Lucasfilm, ABC, Freeform, and Disney+.
- Directed shoots with talent and influencers; supervised editors, color, and sound on hundreds of pieces of content.

Editor (Freelance)

National Geographic · Hallmark · Ricky Schroder Productions

2010–2015

- Edited *Building Wild* (Nat Geo), *Our Wild Hearts* (Hallmark feature), and *Starting Strong* (U.S. Army reality).

Shop Assistant & Content Creator

Lanier Technical College — Machine Tool Technology

2021–2023

- Assisted instructors in CNC and manual labs; taught machining fundamentals and safety to incoming students.
- Filmed and edited program content that increased Machine Tool program visibility.

EDUCATION & RECOGNITION

- B.A. Film & Video — Georgia State University
- Precision Machining & Manufacturing — Lanier Technical College
- SkillsUSA National Silver Medalist (CNC Turning)
- Former Tormach Brand Ambassador
